

A young child with short dark hair, wearing a grey hoodie, is looking through a red and blue toy telescope. The child is positioned on the right side of the frame, looking towards a cardboard playhouse on the left. The playhouse is designed to look like a wooden cabin with a brown roof, green moss-like patterns, a window with a black opening, a door, and a small red ladybug on the side. A bee is also visible on the side of the playhouse. The playhouse is sitting on a blue fabric surface. The background is a blurred outdoor setting with green foliage and brown leaves.

Lookbook 2019

# Green Bean Collection

Creating precious moment through fun adventures.

The growth and happiness of young children is central to what we do.

To ensure that language and communication skills are developed from infancy.

We seek to provide fun, interactive books and toys to entice and excite children.
